SANCTUARY KEEPERS' UNIT
. ONE LOVE .

Dear _____

Welcome to Sanctuary Unit! We're a big enough family to accommodate you, but still small enough to identify you. We're united in love and so glad to share it with you. We trust that your experience with us will be both fun and edifying.

Here's how you can become a full-fledged member of Sanctuary unit

Step 1: Join a subunit!

In our big family, we have smaller families, called subunits. We have 7 subunits for you to choose from, depending on the area of the chapel you want to work in. every member must have just one subunit and while you can work in other subunits, you must be registered under a particular subunit

- Alpha Chapel: This subunit handles cleaning on the inside of the chapel, but only the left side i.e., Love entrance to Joy entrance. They handle sweeping, mopping, and scrubbing.

- Omega Chapel: This subunit is like Alpha, but a mirror image of it, taking care of the right side of the chapel

- Altar and Toilet: This subunit takes care of both the Chapel Altar, and the restrooms on both sides of the chapel

- Royal Chairs: The members of this subunit handle the arrangement and cleaning of chairs everywhere in the chapel

- Cobwebs and Dustbins: This subunit handles the removal of cobwebs and emptying of waste bins all around the chapel

- Windows: Take a wild guess what this subunit does

- Store: This subunit supports all other subunits by preparing cleaning and accounting for all their equipment during cleaning

Step 2: Be Active!

These are our official meeting days with their time and location. Be sure to be in attendance for them all, as they're all important😊

Optional: Join a team!

We have teams for members that are interested in helping out in other ways in the unit.

- The Welfare Team, for those that love to reach out to others and have fun ideas,
- The Database Team, for those that are good with handling physical and digital records,
- The Publicity Team, for those interested in creating content and are good at writing and designing

We're always happy to hear your thoughts, and if you want to reach out to us, please visit the unit office beside the student chaplaincy office or send us a message on Instagram. We love you so much!
